Hosting more BOD meetings for the accountability committees, keep an eye out for social media for announcements on that. Information from the recent Town Hall meeting will also be coming out, with a lot of discussions on the new math curriculum. Announcement for the open-house to introduce the new building remodeling is also pending, to give parents a chance to check the space out.

b. Staff Report

Ms. Walling reported all is great. Principal T reported seeing a lot of good things in classrooms. When visiting and observing classrooms, Principal T likes to confirm that the kids understand the goal of the lessons.

c. Treasurer's Report

Fundraiser value does not reflect the final total yet, that will come in January. The # of families that have signed up for PTO is much higher than anticipated - great news! Science Fair and Spelling Bee will be drawing money from the budget upcoming.

d. Secretary's Report

Directory is still available for anyone that signs up for PTO membership, it includes links to many of the class facebook groups.

e. President's Report

FACE (Feel Acknowledge Charge Evaluate) meetings will be coming back in the future, keep an eye out for further information.

f. Vice President's Report

Nothing to report.

g. Volunteer Coordinator's Report

Movie Night volunteer sign-ups are out, sell concessions and clean up afterwards. Talent-Show on March 13th will be the next volunteer opportunity. As a reminder, all volunteers are entered into a raffle at the end of the year. O'Tools donated 4 \$50 gift cards that were raffled off tonight to previous volunteers and attendees to PTO meetings, the winners that weren't present tonight will be contacted.

h. Fundraising Coordinator's Report

\$37,125 raised from 38 different states (and New Zealand), 68% students registered, 38% collected donations. 12 students won adventure golf which occurred last week and was a great time. Simple course was received well. Each grade level, the classroom that collected the most laps earned a Golden Shoe trophy. PTO signed up for Fundhub next year already to get the discount rate. Next fundraiser is the Dave and Buster community night.

D. New Business and General Q & A

The upcoming 'no school for Middle School' days will not prevent students from being able to attend the after school events.
